Skip the stamp - sign up for Power Pay

Power Pay is a quick and convenient way to pay your PUD bill

Power Pay pays your PUD bill through an automatic deduction from your checking account - you save the hassle of writing a check and the cost of a stamp. You'll still receive a statement showing your electric usage and other charges, and the amount due will be automatically deducted from your account before the bill's due date.

How to Enroll:

To enroll in Power Pay, complete the application below and return it to the PUD, along with a voided blank check.

When you receive a bill that says "POWER PAY - DO NOT PAY" you'll know that Power Pay is activated for your account. Until then, please continue to pay your bill as before.
