

Marathon benefits

- The reinforced plastic tank is warranted not to leak as long as you own your home. Parts and labor are warranted for five years from the date of installation or six years from the date of manufacture...whichever is greater.
- The seamless Polybutylene tank will not rust and is reinforced by a fiberglass shell.
- Envirofoam™ insulation, which is completely free of ozone depleting gases, completely surrounds the tank for greater efficiency.
- Each tank comes complete with a factory installed vacuum relief valve, a ¾" brass tee and a ¾" brass nipple for easy installations, and an easily accessible drain valve.
- The all-plastic tank eliminates the need for an anode rod. Unlike steel tanks, nothing inside the tank will give your water an unpleasant flavor or odor.

Local dealers

Marathon water heaters are available from these local retailers and plumbers.

You are not required to purchase your water heater from one of these retailers to qualify for the rebate.

A COMMUNITY-OWNED UTILITY

Water heater rebates

You can earn a rebate of \$250 when you purchase a new, energy-efficient Marathon® electric water heater. Marathon water heaters carry a lifetime warranty against tank leakage and are among the most energy-efficient water heaters on the market.

Rebate qualifications

- Marathon water heaters with a storage capacity of at least 50 gallons and an energy factor of .91 and above.
- The water heater must be installed in a home or business served by Columbia River PUD.
- The tank may be a replacement for an existing tank, or a new installation.

Instant rebates available

At the time of purchase your retailer or plumber can contact us to verify that we serve your home, and then they can offer you an instant rebate.

Financing available

Financing is available for qualified customers. Terms are 0% interest for 12 months, billed monthly on your PUD account. Please call us for loan approval before you make your purchase.

How to apply

1. Purchase a qualified tank at the dealer of your choice. Local dealers and plumbers who carry Marathon water heaters are listed on the back of this form.
2. Make a copy of the sales receipt or invoice, or ask the dealer for a duplicate. The receipt must show the brand name and model number.
3. Fill out and sign this application. Attach a copy of the receipt or invoice and keep the original for your records.
4. Return the completed application to the PUD within 90 days of your purchase.
