

Always Current

A new way to stay ahead

Time is a rare commodity these days, and paying bills is one more obligation that keeps you from the things you'd rather be doing.

That's why we created a new all-electronic payment program called *Always Current*. When you sign up for *Always Current*, you'll receive your invoice by email each month, and your payment will be automatically deducted directly from your checking or savings account. You can go online anytime to view your payment history and electricity usage.

It's as simple as that. No due dates to remember, no bills to clutter up the house, and the peace of mind that comes with knowing that your account is always up-to-date.

Always Current enrollment form

Ensuring that your account is *Always Current* is as easy as filling out this form and sending it back to us in your payment envelope. ****Please include a voided blank check with this form.****
