**Mail, fax or email completed application, legible copy of purchase receipt(s) showing model number, manufacturer, type, size, quantity, purchase date and cost to:**

Columbia River PUD  
 Attn: Energy Efficiency Rebates  
 5605 NE Elam Young Parkway  
 Hillsboro, OR 97124  
 FAX: 503-344-6942  
 rebates@esgroupllc.com

Rebate Applications are due within six (6) months of purchase to qualify.  
 Allow 3 to 4 weeks for the rebate to be applied to your utility account unless otherwise specified.  
 The rebate will be processed after the receipt of all required documentation. A final approval inspection may be required.  
**Call 888-883-9879 to learn about additional energy efficiency programs.**

## LINE VOLTAGE REPLACEMENT THERMOSTAT REBATE PROGRAM

### General Information

#### HOMES THAT QUALIFY FOR A REBATE

- Existing Site Built & existing Multifamily low rise & mid/high rise with existing electric resistance zonal heat (baseboards, wall heaters and ceiling cable) with line-voltage, bi-metal thermostats.
- All existing thermostats, except those in bathrooms, must be replaced with new qualifying, line-voltage electronic thermostats.

#### REBATE AMOUNT

- \$18 per unit rebate for Line Voltage Thermostat.
- \*Rebate(s) will not exceed 100% of the total cost and does not cover installation costs.

#### QUALIFYING LINE VOLTAGE THERMOSTATS

- Thermostat must be electronically heat anticipated.
- Thermostat must have a thermistor temperature sensing element accurate to within 1.5°F or better.
- Thermostat must have a digital display.
- Thermostat must be UL or CSA listed for use with their application (i.e. fan-forced, baseboard, wall, or ceiling cable heat).
- Thermostat must maintain temperature & program settings during power failures.
- Thermostat must have a temporary override feature.

#### INSTALLER INFORMATION

- The thermostat replacement can be a self-install or hire an electrician.
- Please keep old thermostats on site until after the final approval inspection.  
\*CRPUD will provide a list of electricians that work in our service area. This list of electricians is provided as a courtesy and is not an endorsement of their company. The customer is not required to use one the electricians to qualify for a rebate.

#### BEFORE INSTALLATION: PRE-APPROVAL

- **Pre-installation approval is required** but an on-site visit is not required prior to installation to qualify for the rebate. The customer or the contractor must submit the Line Voltage Rebate Application to Columbia River PUD (CRPUD) before installation by email to: [rebates@esgroupllc.com](mailto:rebates@esgroupllc.com) or fax to: 503-344-6942.
- Information required for pre-approval of the Line Voltage Thermostat is the attached Line Voltage Thermostat rebate application with the manufacturer and model number included.

#### AFTER INSTALLATION: FINAL DOCUMENTATION

- You or your contractor must submit a final invoice to CRPUD along with the attached completely filled out & signed rebate application.

#### QUALITY ASSURANCE INSPECTION

- CRPUD may do a follow-up inspection of your new Line Voltage Thermostats.
- If you are chosen for an inspection, you will be contacted beforehand to schedule a day/time with a CRPUD Energy Expert.

#### CUSTOMER REBATE CHECKS

- After Columbia River PUD receives your complete rebate application and final invoice.
- The rebate will be processed after the receipt of all required documentation and final approval inspection.
- Allow 3 to 4 weeks for the rebate to be applied to your utility account unless otherwise specified.

For additional questions regarding the Columbia River PUD Line Voltage Thermostat Rebate Program, call 888-883-9879.
