## **Terms and Conditions for Electric Vehicle Level 2 Charger Rebate**

- This rebate is intended for Level 2 Electric Vehicle Chargers located within Columbia River PUD's service territory and serving qualified electric and plug-in hybrid electric vehicles with four wheels and having, at minimum, a 16 kWh battery.
- The rebate is limited to one per physical location.
- The rebate payment will go directly to the customer listed at the address noted on the reverse side of this page. Payment cannot be assigned or transferred.
- This rebate offer may be changed or discontinued at any time by Columbia River PUD without prior notice.
- The Level 2 EV Charger must be rated for 208/240 volts or greater and 16 amps or greater.
- Columbia River PUD reserves the right to inspect installed product(s).
- A copy of a detailed receipt for purchase of the charger along with a photo of the installation must accompany the completed application.
- Failure to provide appropriate documentation may result in rebate ineligibility.
- Applications received that do not meet the program criteria will not be considered. Columbia River PUD reserves the right to request additional information or documentation to process an application.
- Columbia River PUD is not responsible for documents lost or destroyed in the mail via transit or misdirected applications. Submitted program application and accompanying documents become property of Columbia River PUD.
- Columbia River PUD disclaims any warranty, whether expressed or implied, for any materials or labor associated with installation, maintenance, or repair.
- Please allow 8-10 weeks for rebate processing.

I understand the above and certify that I am a customer of Columbia River PUD, that a Level 2 Charger is installed and operating at the location indicated, and that this address is within Columbia River PUD's service territory.
